

PTF BPI Conference 2020

Student Scholarship Sponsor Opportunities

With several outstanding graduate programs within easy driving distance, the 2020 PTF BPI is a great venue for students in forest products and related degree programs to participate in the breadth of information and opportunity represented at this important conference. Help us make this event accessible to students by providing scholarships to the upcoming generation of leaders in the industry. Students who receive these scholarships will get cost-free registration and lodging offsets to make attendance more affordable. Applicants for the scholarships will be asked to participate in the convention with a poster or oral presentation regarding their research projects.

FPS offers a unique opportunity for industry to meet with and see the work of graduate students preparing to enter the industry. Let's make this opportunity available to as many students as possible by supporting the scholarship program for the 2020 PTF BPI in St. Simons, GA, November 9-11.
